SPECIAL SERVICE REQUIREMENTS (fire service, heat transfer equipment, etc.):

COMMENTS:

The undersigned Owner hereby applies for water service to the premises indicated above, and when applying for and receiving such service agrees to be bound by all applicable rules, regulations, specifications and charges of the Authority.

In the event that these premises are to be occupied by a person other than the Owner, the Owner agrees to accept responsibility for the payment of any and all bills rendered in connection with water service to the premises. *(all bills will be sent to the owner)*

The Owner agrees to immediately place a wooden stake on the property to indicate the desired location of the water meter and final grade. The Owner agrees to be responsible for labor and materials in the event that the meter pit lid needs raised or lowered due to any variation in the indicated grade.

The Owner also hereby specifically agrees to use lead-free materials throughout his or her plumbing system and to physically disconnect any alternate water source from plumbing that is to be connected to the Authority's Water System.

The Authority's Service Line must be installed within one (1) year from the date of approval or the Capital Charge will be refunded.

The Service Connection is approved for the property indicated above and is not transferable.
